What it is

Financial planners help people manage money across investments, taxes, retirement, insurance, and estates. Personal financial advisors earned a **median of $105,070** in 2025, according to the Bureau of Labor Statistics. The six courses satisfy the **education requirement** for CFP® certification; the exam, experience, and ethics requirements complete it. Open to any major, and full-time on-campus undergraduates add it in myGPS at **no additional tuition**. Each course needs a C or better. No business courses are needed first; only FIN 359 must come after the others.

The six courses

Area	Course	Offered	For a Finance major
Fundamentals	**FIN 350*** (or ACC 356, if already taken)	Fall, spring	free elective
Tax	**ACC 357**, or **ACC 407**†	ACC 357: fall only. ACC 407: fall, spring	free elective
Investment	**FIN 357**	Fall, spring	free elective
Estate	**ACC 457**	Fall, spring	free elective
Retirement	**FIN 358**	Fall, spring; no alternate course	free elective
Capstone	**FIN 359** ✓	Fall, spring; taken last	fills the major's choose-one

* FIN 350 lists a 60-credit-hour prerequisite that can be waived: email the director. ACC 457's tax prerequisite is waived for certificate students.

The posted four-year plan, with the certificate on top

Roadmap course **Counts for roadmap and major** ✓ Major requirement UK Core, electives *Italic = recommended* One term only

The certificate takes **five of the plan's ten electives**, and FIN 359 fills the major's choose-one. *FIN 490 (SIE)* ✓ fills one of the three FIN 400-level slots.

Spring start, or three terms left? FIN 350, FIN 357 in spring; ACC 357, ACC 457, FIN 358 in fall; FIN 359 last. Expect a heavier term.

Three things to know

1. **It is free and it fits.** Five electives, with five still open, and FIN 359 counts toward the major.
2. **Take ACC 357 in a fall.** It is the one course that runs in a single term, so a student who reaches senior spring without it cannot finish before graduating (Executive Education afterward costs $895 a course).
3. **Round it out inside the degree.** FIN 490 (SIE) preps the SIE exam while counting toward the major.

After the certificate

- Students can sit for the CFP exam as soon as their completion is reported. Experience (6,000 hours, or 4,000 through an apprenticeship) and the bachelor's degree can follow the exam.
- Licenses depend on the job: Series 65 or 66 for RIA roles; SIE, Series 7, and 63 or 66 for broker-dealers; state life and health for insurance. We **recommend the SIE** for every student (it is not required for the CFP); Finance majors can prepare for it in *FIN 490 (SIE)* ✓.
- Get involved: the Finance Society's Financial Planning Pathway.

To add the certificate: talk with an advisor, then myUK → myGPS → My Program of Study → Request a Major Change → Add a Major, and search for Financial Planning (adds the certificate, not a second major). Details: gatton.uky.edu/certificate-financial-planning, or scan the code at top.

Terms. Free elective: any course the student chooses that counts toward graduation hours. SIE: Securities Industry Essentials, FINRA's entry-level exam. † **ACC 407: Accounting majors and double majors only.** Other majors take ACC 357 (fall only).

FIN 400-level slot: one of the three upper-level finance courses the major requires. Choose-one: ACC 302, ACC 475, FIN 359, or another FIN 400-level course.
